Please contact 602-629-4826/4834 for consideration. Faxed applications will not be accepted.

AREA OF CONSIDERATION:

This position is in the Federal/Excepted Civil Service and is **open to current members in the Arizona Army National Guard.** Individual selected will receive **an Indefinite Appointment** and may be converted to permanent based on availability of funds or position no longer being encumbered. Acceptance of a Federal Excepted technician position of over 179 days in length will cause termination from the Selected Reserve Incentive Program (BONUS). Individual selected will require a military medical records screening if applicable, to be completed prior to appointment, and/or may be required to take a pre-employment medical screening examination dependent on the position type and military medical records screening results.

INSTRUCTIONS FOR APPLYING: Individuals applying for vacancies with the Arizona National Guard may submit Optional Form 612 (Optional Application for Federal Employment), or a Resume. Application documents must contain the Announcement Number, Title and Grade(s) of the job being applied for. Personal information must include full name and address (including ZIP Code), Day and evening phone numbers (with area code). Work experience information should be limited to either paid or nonpaid experience directly related to the position that the individual is applying for and must include: Job Title, Duties and accomplishments, Employers name and address, Supervisors name and phone number, starting and ending dates, hours per week and salary.

Applicants **MUST** submit a completed AZNG Form 335-2-R (Knowledge, Skill and Ability Supplement) or a separate document explaining how they meet each Knowledge, Skill and Ability listed below and a Resume or the Optional Form 612. Applicant **MUST** submit complete ERB/ORB and/or other documentation to verify possession of MOS.

EVALUATION PROCESS: Each applicant must **FULLY SUBSTANTIATE** on their application how they meet the requirements listed in the specialized experience area; otherwise applicant will be considered unqualified for this position. Applications will be evaluated solely on information supplied in the application (OF 612) or resume. Experience will be

evaluated based on relevance to the position for which application is being made. Include job titles, starting and ending dates (month and year), hours per week, salary, duties/accomplishments, employer(s) name and address, and supervisor(s) name/phone number and permission to contact.

CONDITION OF EMPLOYMENT: Prior to appointment into this position, selectee must be a current member of the Arizona Army National Guard, in a military unit supporting FMS 1 and must possess the following MOS: Enlisted MOS: 88, 91, 92, or 94 series; Warrant Officer MOS: 91, 92, or 94 series, 882A

- Federal employment suitability as determined by a background investigator.
- May be required to successfully complete a probationary period.
- Participation in the Direct Deposit/Electronic Funds Transfer Program.
- Military Uniform must be worn.
- Applicants must maintain membership and employment in the National Guard in the military grade listed in this announcement.

EQUAL OPPORTUNITY: The Arizona National Guard is an Equal Opportunity Employer. Selection for this position will be made without regard to race, religion, age, national origin, sex, political affiliation, marital status, membership or nonmembership in an employee organization or any other non-merit factor.

Relocation Incentive may be offered:	YES <input type="checkbox"/>	NO <input checked="" type="checkbox"/>
PCS may be offered:	YES <input type="checkbox"/>	NO <input checked="" type="checkbox"/>

NOTES:

- NOTE: Must possess and be able to maintain a valid State driver license.
- NOTE: Must be able to gain and maintain access to the AZ-ARNG network.
- NOTE: Known promotion potential to WG-10

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED FOR SUCCESSFUL PERFORMANCE IN THIS POSITION:

Each applicant should fully justify on their application how they meet each KSA listed below using AZNG Form 335-2-R to reference the justification.

1. Ability to independently conduct readiness and operational inspections, and perform preventive maintenance repairs and services on vehicles and associated equipment in the Arizona Army National Guard inventory.
2. Knowledge of hydraulic lifting, loading, turning, and positioning systems and their mechanic, hydraulic, pneumatic, electrical and electronic controls.
3. Knowledge of troubleshooting electrical systems, sufficient to identify open and short circuits, and troubleshoot and replace defective components, such as sensors, relays, and diodes.
4. Ability to troubleshoot, diagnose, and repair a variety of interconnected systems such as electrical, pneumatic, hydraulic, and fuel systems.
5. Ability to use judgment in planning work sequences for assigned tasks or work orders, selecting tools and repair parts, and otherwise carrying assignments through to completion, referring only unusual and difficult problems to the wage leader or supervisor.
6. Ability to troubleshoot combat, tactical, heavy construction, commercial, special purpose vehicles and equipment and diagnose the cause of mechanical failures, isolate faults, by means of visual and auditory checks and/or using diagnostic tools, test equipment, or embedded diagnostic systems.
7. Ability to utilize, interpret and perform work in accordance with technical manuals, manufacturer's repair manuals, modification work orders, lubrication orders, maintenance bulletins, diagnostic computer information, and schematics.
8. Ability to communicate, both verbally and in writing, to include skills in using computers and office productivity software to organize and convey information relevant to maintenance operations. Knowledge of GCSS-Army and its role in maintenance operations.

SPECIALIZED EXPERIENCE:

WG-08: Must possess at least **18** months of experience or training using common hand and power tools and a small variety of test and measurement devices to make mechanical repairs. Experience removing, adjusting, replacing, cleaning, and installing a variety of parts, components, and accessories. Experience which demonstrates a basic understanding of mechanical, electrical, and hydraulic theory applying to vehicles; and skill to replace, fit, install, and make adjustments. Experience demonstrating an understanding of the makeup and operation of the various individual systems maintained and their interrelationships. Experience reading and interpreting parts lists, manufactures' repair manuals, diagrams, and electrical schematics.

WG-10: Must possess at least **24** months of experience or training diagnosing, repairing, overhauling, and modifying more complex vehicles, equipment, and more complicated systems. Experience which has provided a thorough knowledge of diagnostic equipment. Experience applying independent judgment in determining methods and techniques required to solve unusually complex maintenance and repair problems. Experienced in testing, inspecting, and evaluating the work performed on vehicles, equipment and systems.

BRIEF JOB DESCRIPTION: This position is located at FMS 1, Phoenix, AZ. The purpose of this position is to perform organizational and limited direct support maintenance, repair, troubleshooting, inspection, and/or overhaul of a variety of combat, tactical, commercial, and special purpose vehicles and equipment supported by this facility. Makes the appropriate repairs and performs work in accordance with modification work orders, technical manuals, lubrication orders, maintenance bulletins, regulations or management policies. Troubleshoots equipment and diagnoses the cause of mechanical failures by means of visual and auditory checks and/or uses test equipment such as engine analyzers, compression testers, voltmeters, ohmmeters, pressure gauges, and computer or embedded diagnostic tools. Utilizes embedded diagnostics in equipment and a wide variety of original equipment manufacturer system analyzers in order to determine the exact nature or extent of repair. Determines what adjustments may be necessary to complete work orders, and whether any additional repairs other than those specified or indicated on the work order are necessary. May provide Field and limited Sustainment maintenance at unit locations as part of a "contact team." Recovers and evacuates inoperable vehicles from the unit location of breakdown. Conducts readiness and repair inspections on vehicles and associated equipment supported by the activity. Performs operational inspections and ensures vehicles and equipment are properly serviced, including brake adjustments, replacing hydraulic fluids, greasing, cleaning, etc., and performs other preventive maintenance operations as required. Inspects supported equipment prior to use during Inactive Duty Training (IDT) and Annual Training (AT), to ensure that it is functioning properly. May serve as a commodity inspector during Command Maintenance Management evaluations (COMET) or as a member of a Maintenance Assistance Instruction Team (MAIT). Instructs operator/crew in the maintenance of equipment and provides technical advice and assistance to supported units when requested. Assists in the maintenance of production reports and records, and makes recommendations to the supervisor. Makes recommendations to the supervisor as to adjustments necessary to effectively, efficiently and economically accomplish the work and maximize production. Performs other duties as assigned.
